

	TR-time	CET	10 June 2024, Monday
Open Doors	9:00-13:00	8:00-12:00	<i>ODTÜ MEMS Open Doors Event</i> <i>Introduction of ODTÜ MEMS – Presentation</i> <i>Site visit</i>
	13:00-13:30	12:00-12:30	Coffee break
Session 1	13:30-14:00	12:30-13:00	Opening Remarks
	14:00-14:30	13:00-13:30	Zeynep Altıntaş, <i>Kiel University</i> Hydrogel Microneedle Array for Multiplexed Assessment and Intelligent Therapy of Chronic Wounds
	14:30-15:00	13:30-14:00	Jerome Charmet, <i>Haute Ecole Arc (HES-SO), University of Bern</i> Going with the flow - fluid processing for biosensing
	15:00-15:30	14:00-14:30	Coffee Break
Session 2	15:30-16:00	14:30-15:00	Arda Deniz Yalçınkaya, <i>Boğaziçi University</i>
	16:00-16:30	15:00-15:30	Martinus Gijs, <i>EPFL</i> Studying the roundworm <i>Caenorhabditis elegans</i> using microfluidic chips
	16:30-17:00	15:30-16:00	Vania Silverio, <i>INESC MN</i> Development of a standardized 96-well platform for investigating cell cultures in static and dynamic flow environments
			<b>11 June 2024, Tuesday</b>
Special Session	10:00-12:00	9:00-11:00	<i>Panel: Implementation of MDR and IVDR</i> <i>Jana Russo, MedTech Europe, Manager Medical Devices</i> <i>Fikret Küçükdeveci, Kardinero Medical Systems Inc.</i> <i>İlke Eren Karaca, Health Industry Employers' Association of Turkey</i> <i>Osman Dursun, Medloft Consultancy Doo</i>
	12:00-13:00	11:00-12:00	Student Poster Presentations
	13:00-14:00	12:00-13:00	Lunch Break
Session 3	14:00-14:30	13:00-13:30	Elsa Batista, <i>Portuguese Institute for Quality, IPQ</i> Metrological traceability and accuracy of organ-on-chip related measurement quantities
	14:30-15:00	13:30-14:00	Levent Beker, <i>Koç University</i> Wireless skin-interfaced devices for preventive medicine
	15:00-15:30	14:00-14:30	Mahmut Kamil Aslan, <i>ETH Zurich, ODTÜ MEMS Center</i> Microfluidic Platforms for Single-Cell Manipulation and Analysis
	15:30-16:00	14:30-15:00	Hatice Ceylan Koydemir, <i>Texas A&amp;M University</i> Engineering portable imaging and sensing technologies to advance human health
	16:00-16:30	15:00-15:30	Best Poster Award Ceremony & Closing Remarks
